

## Special announcement - Bomb discovery at port RRT Home Duisburg

Dear Ladies and Gentlemen

due to the discovery of a bomb in Duisburg-Neuenkamp (RRT, Moerser Str. 66), we have to stop our terminal operations at short notice.

We will not be able to handle barges, trains or trucks until it is released again. We will keep you informed of all further developments. We currently assume that operations will continue as normal from tomorrow on.

Thank you for your understanding.

If you have any questions please do not hesitate to contact your customer service representative.
