

SPECIAL MESSAGE – Handling restrictions in the Hinterland

Due to the current hurricane, which is moving across Germany, our terminals CTS, DCH, KCT and RRT are severely restricted in their operations. This will lead to significant handling restrictions on site as well as delays in our scheduled timetable. The hurricane is expected to last until this afternoon.

We would therefore like to emphasise that arrival times may not be guaranteed and closings may not be kept. As a precaution, we therefore have to decline any liability for any resulting costs (e.g. demurrage and detention).

In case of further questions, please feel free to contact our customer service team.
